

ARCPA Virtual Student Career Fair on Weds. September 22

Virtual career fairs are online events that allow employers and students to meet in virtual environments such as video chat rooms, and offer advantages to both students and employers! Students benefit by saving valuable time and can meet with potential employers without having to travel. Students can also avoid the awkward or intimidating feeling of having to walk into a crowded room full of strangers.

Arkansas Society of CPAs (ARCPA) will hold its **Student Career Fair (meet the firms)** on **Wednesday, September 22**, as a virtual event by scheduled appointments between the hours of 2:00 p.m. to 6:00 p.m.

Students should familiarize themselves with the **Career Fair Plus website or app** in advance. If using the app for the event, students should download the Career Fair Plus app to their phone or device (from App store or Google Play) in preparation for the virtual fair and should view the demo to see how it works: www.youtube.com/watch?v=j5vKcuZj2ik

Students, Please Save these Dates:

September 17—Appointment Sign Ups Open @ 8:00 a.m.

Beginning on September 17, at 8:00 a.m., students may create a profile, upload a resume as a PDF, and reserve appointments to meet with firms, using the Career Fair Plus app or this link <https://app.careerfairplus.com/>
Remember to check back periodically as additional firms may sign up after this date.

September 22 – ARCPA Virtual Student Career Fair

Students meet with firms during their designated pre-scheduled appointments between 2:00 p.m. and 6:00 p.m.

The firm recruiters will set their appointment time slots. Once the appointment sign up period opens for students (on the morning of **September 17**), then students can upload their resume as a PDF and book appointment times to meet virtually with the firms (using the Career Fair Plus website or app). Appointment sign-ups will begin at 8:00 on the morning of September 8 and will be on a first-come, first-serve basis.

Students should keep checking back periodically to see if additional firms sign up between September 17 and the date of the event.

Post bachelors and junior and senior-level accounting majors at Arkansas' four-year public and private colleges and universities are invited to attend. Space for this online event is limited to the first 100 students who sign up.

Inside this issue:

Student Career Fair	1
AICPA Certificate Program	2
CPA Exam Workshop	2
CPA Review Discounts	3
COVID 19 Grant	4
CPA Exam Scholarship	4

The AICPA Certificate Program offers AICPA Student Affiliate Members and faculty access to AICPA technology certificates for up to 80% off regular prices. With more than a dozen emerging and in-demand topics in the accounting profession to choose from, the certificates provide continued learning with completion times anywhere from three hours to several days.

Topics include:

- Cybersecurity
- Blockchain
- Data Analysis
- Fundamentals of Forensic Accounting
- Robotic Process Automation

Courses can be taken individually or as a group to elevate an entire curriculum. For more information, please contact Danielle Eiler, Associate Manager, Academic and Student Engagement, email: Danielle.Eiler@aicpa-cima.com.

This program provides knowledge in a variety of subject areas to help connect traditional accounting curriculum with its day-to-day practices. The certifications are developed and offered by the AICPA.

Want to know if you are you eligible for Student Affiliate membership? If you can answer YES to this statement, you are eligible: I am a full-time or part-time student at a U.S. or non-U.S. college or university and do not already qualify for a CPA license.

In addition, you will be required to agree to be governed by and comply with the AICPA Bylaws and Code of Professional Conduct.

Dual membership with the Arkansas Society of CPAs and the AICPA connects you with the two essential organizations established to support you on your journey to becoming a successful CPA — from college, to the CPA Exam, and beyond. Sign up for membership in both with one application.
