

MOCK CPA EXAM

VIRTUAL EVENT

Are you truly ready to pass the CPA Exam? Have you studied enough? Are you focusing on the right material? There is only one way to find out, give it a try!

**June
13
1pm (CST)**

Students and non-certified Associate members are invited to participate in a live 4-hour mock CPA Exam workshop hosted by the Arkansas Society of CPAs and Surgent CPA Review. This unique opportunity will allow you to experience what it is like to sit for any CPA Exam section as you immerse yourself in questions pulled from the actual CPA Exam Blueprints. Plus, you will receive your own personalized ReadySCORE (an accurate measurement of your actual exam score) as well as a detailed report showing your areas of strength and weakness for that section.

Advanced registration is required, and the information provided will be sent to Surgent to set up your simulation on Surgent's software.

Don't go into exam day unprepared. Find out if you are ready.
